Our 65th Annual Meeting

GPCE Credit Union held its 65th Annual Meeting at the Gulf Power Addison Auditorium on Thursday, March 14, 2019. Members were treated to Chick-fil-A at 5:30 PM and the official business meeting began at 6:00 PM. Three board of directors were voted in by acclamation to serve another 3-year term. They were Wayne Rhodes, Jeanette Harman and Lisa Williams. We are grateful for all you do for the credit union and our membership.

Anita Cooper announced the approved expansion of the credit union's field of membership, which now includes contract employees working for Gulf Power/NextEra within the Gulf Power service area. She also presented employee, Vicki Richardson, with a 25 year service anniversary award and thanked her for her dedicated service with GPCE Credit Union. Dennis Rozier from the Bay County Sheriff's Office was our guest speaker and presented valuable information regarding how to prevent fraud and ID Theft. Each member who attended the meeting received a goodie-item. Several cash door prize drawings were also presented.

We truly appreciate our valued members for your continued support. Especially during difficult and changing times. Our goal to you requires steadfastness and devotion and to be a credit union that is capable of fulfilling all of your financial needs, including the needs of your children and grandchildren. It is together that we are able to support and make each other stronger than before. It is when we work together that we can push through and rise above any challenge before us. We are here for you and we will continue to work together to reach a brighter future.
